Eat Healthier and Happier with Char-Hut Catering!!!

We ask that you first see if our "Most Popular" menu suits your needs. If not, then please fill in the circle of the food items that you are interested in and fax this sheet back to us. We will then make a proposal based on the items that you have selected. We have been char-broiling the **Best Quality** food since 1976 right here in South Florida! In catering, we use all the same great food items found in our restaurants PLUS some that are not!

Let Char-Hut relieve you of "**grill duty!**" There is no party too big or too small...We can do it all!
